Dear [redacted]

25X1

Reference my letter of 3 December 1948 I have read the correspondence which pertains to the religious organization, "The Christian and Missionary Alliance", requesting advice and assistance from the State Department relative to the establishment of a missionary broadcasting station on Cyprus.

On November 2, Mr. Porter, your Consul, referred their representatives to the department in Washington for further implementation of the proposed project and, to date, no such representation has been made here.

I am preparing a letter for the Admiral's signature to the Secretary of State stating our opposition to this or any similar project that might possibly interfere to the slightest extent with our operations on Cyprus.

I see no reason to modify your course of action as suggested in my letter of 3 December 1948. Both of us must keep fully informed of developments which might adversely affect our future operations on the island.

Sincerely,

L. K. WHITE
